- Shin pads (*girls – Autumn term, boys – Spring Term*)
- Towel for swimming

\* Following a strong recommendation from the Governing Bodies of Schools' Rugby and Hockey, the School's policy is that all pupils playing rugby and hockey must wear a mouthguard.

Mouthguards can be purchased in sports shops or online, these will need to be moulded at home to fit your child's mouth, usually by "the boil and bite" method. Alternatively, your child's dentist may be able to supply custom fitted mouthguards.

## Guidance for Parents

- The school kilt must be approximately knee length – skirts which are more than 7cm above the knee are unacceptable.
- Jackets must always be worn, except in exceptionally hot weather when 'shirt sleeve order' (no jackets or pullovers) will be permissible.
- Ties must be properly knotted with shirts buttoned at the neck.
- Shoes must be clean and polished, with a low heel (maximum 3cm). Patent, suede and/or canvas shoes are not permitted.
- Cosmetics must be minimal. Nail polish, if worn, must be colourless.
- Hair must look natural. Fringes should not conceal eyes. Hair accessories should be plain navy or black.
- The only items of jewellery which are permitted are simple earrings or studs and, no more than one in each ear lobe. These must not be worn for sport.
- No facial hair is acceptable except for specific religious reasons.

**All items should be clearly labelled with your child's name**
